

Information on the event

KPMG Networking Event for Expatriate Clients

We are pleased to invite you to join us for evening of great fun, food and wine in the cosy Altány Kampa Restaurant, located in the heart of Prague. The event is organised by Fergus Cunningham, Partner of KPMG Czech Republic.

The evening will include a discussion with our guest speaker **Mr. Ivan Hodač**, the Founder and President of the Aspen Institute Prague. Previously, he served as Secretary-General of the European Automobile Manufacturers' Association (ACEA). The Financial Times listed Mr. Hodač as one of the most influential personalities in Brussels's politics, so he will provide us with first-hand experience from the EU business and political landscape. You can expect some insightful commentary on contemporary business challenges including euro adoption, two-speed Europe and the future of mobility.
