

Finance Forum 2018

Date	2. 3. 2018, 9:00-13:00
Location	Aureole, Hvězdova 1716/2b, Prague
Price	1 000 Kč

Our traditional conference on the trends in finance

Come be inspired and share your opinions and experience with the best players on the field.

This year our banking and insurance meetup will focus on financial stability and technologies that cut through the complexity of the financial world. Industry leaders will examine digital currencies from the perspective of financial stability and investigate the impact of blockchains and authentication.

Confirmed speakers include:

- **Yves Mersch**, member of the Executive Board, European Central Bank
- **Marek Mora**, member of the Bank Board, Czech National Bank
- **Daniel Gasteiger**, member of the Board, Global Blockchain Business Council
- **Wei Keat Ng**, COO and Market Development, KPMG Global Financial Services
- **Martin Drahanský**, professor, Brno University of Technology

Panel discussions will be chaired by Pavel Kysilka (6D Academy), Zdeněk Tůma (KPMG Czech Republic) and Viktor Dušek (KPMG Legal).
