

KPMG Networking Event for Expatriates

Date	27. 5. 2019, 18:30-23:00
Location	Jugoslávských partyzánů 1580/3, Prague
Price	Free

Evening of food, wine and robotics at the Czech Institute of Informatics, Robotics and Cybernetics.

KPMG traditional event will take place at the **Czech Institute of Informatics, Robotics and Cybernetics**, a rapidly developing research institute, which focuses on facilitating the transfer of emerging technologies to industry. This Institute is recognised as the National Centre for Industry 4.0 and support in the Czech Republic.

Our guest speaker will be one of the most outstanding personalities of Czech robotics and cybernetics – **Prof. Vladimír Mařík**, Founder and Scientific Director of the Institute. This April he received the Manager of the Year Award, the annual Award announced by the Czech Management Association (ČMA).

Join us to see and discuss industry 4.0 in a practical and tangible way.

Following the presentation and discussion we will have our traditional buffet dinner together and have an opportunity of networking over a few glasses of wine at the terrace of the Institute.

Programme:

18:30 Registration & welcome drink

19:00 Discussion with Professor Mařík and on-site presentation of robotics features

20:00 Networking, wine and food

Admission: free

The event is in English language. If you have any questions please contact us on akce@kpmg.cz.
