

Information on the event

Property Lending Barometer 2016

Business breakfast to launch Property Lending Barometer 2016, the seventh edition of our survey of the approach of financial institutions to real estate financing.

Registration & breakfast start at 8:30, presentation starts at 9:00, expected end at 11:00

The event will include a panel discussion with prominent members of the Czech real estate industry representing banks, investors, developers.

The guest speaker will be Vice-Governor Vladimír Tomšík who will present view of the Czech National Bank on its policy in the current stage of the business and financial cycle and will also participate in the panel discussion.

We are looking forward to spending a business inspiring morning with you.
